FREIRE
CHARTER WILMINGTON

August 25, 2026

Dear Families,

As a parent/guardian of a student at Freire Charter School Wilmington, you have the right to know the professional qualifications of the educators who instruct your child. Federal law allows you to ask for certain information about your child's classroom teachers and requires us to give you this information in a timely manner if you ask for it. Specifically, you have the right to ask for the following information about each of your child's classroom teachers.

1. Whether the teacher has met all Delaware licensing and certification requirements for the grades and subjects he or she teaches.
2. Whether the teacher is teaching under an emergency or other provisional certificate because of special circumstances.
3. The teacher's major, whether the teacher has any advanced degrees and, if so, the subject of the degrees, and
4. Whether any paraprofessionals provide services to your child and, if they do, their qualifications.

Freire Wilmington is fully committed to the success of your child and we take pride in the quality of the teaching staff at Freire Wilmington. All our teachers are continuously learning throughout the school year through comprehensive professional development and annual routine evaluations to ensure their teaching skills remain at the highest level. If you have any questions about your child's assignment to a teacher or paraprofessional, please contact Pam Dougherty (pam.dougherty@freirewilmington.org). We appreciate your partnership in our efforts to provide the best education for your child.
